

## Photo Montage Video Form

Let us help you preserve your special memories or pay tribute to a loved one in a very emotional way that will be treasured for a lifetime. Great for anniversaries, weddings, birthdays, memorials, graduations, Christmas gifts, celebrating babies or children, vacation memories, etc. We can create a very simple yet elegant keepsake of just photos and music, or a more complex masterpiece with all kinds of memorabilia included. Call us for the more complex projects and we will be glad to sit down with you and help walk you through it.

### Tips:

- Choose music that is special to you or the person you are giving this to, or that helps to convey the emotion of the photos.
- You could arrange the photos chronologically (most common) or in any other way that makes sense in telling your story.
- Consider grouping photos together to correspond with the music, and beginning each group with a title such as "Early Years", "College Days", etc. Most projects will start with a title such as "John and Linda's 50<sup>th</sup> Anniversary Celebration"
